GROUP
SOLUTIONS TO YOUR PROJECTION

ABOUT US

Our journey started as Raipur Steel Corporation, which was established in the year 1995. We began as a supplier of Steel structure and other metal to various projects and contractors. As we gained experience and opportunity arrived, we vertically integrated by indulging into fabrication & galvanizing.

Further, to provide wider baskets of products and services RSC Projects Pvt. Ltd. was formed. The intent behind this the company is to simplify projects by providing maximum range of most essential products under one roof. This way we benefit projects by delivering bigger basket as per need and requirement. This basket ranges in Earthing Material, Hardware, Pipe and Fitting, Steel and Metals, Switches and Sockets, Safety, Fasteners and Nut Bolts and Logistics.

RSC Projects Pvt Ltd works with one single intent “Solution to your Projection”. We believe in timely execution with quality work. We are focused in continuous growth process which help us meet expectations of our clients.
